Dear Kevin,

I wanted to let you know how satisfied Nu-Look Collision Centers is with the results of Chrisantha Construction Corporation's work in the building of our new Canandaigua center at 2562 NYS Rte. 332 in Canandaigua NY.

We wanted to work with a local Canandaigua developer, and chose Chrisantha Construction Corporation to work with our architectural firm, Kohlstaedt & Frederickson. Your upstanding and reputable work is indeed very evident in the results. Working with a very narrow lot, Chrisantha Construction built our new center to what we wanted. We are especially pleased with Chrisantha's Construction's good turn-around time and excellent craftsmanship! The work-flow is working out great, particularly in the production area.

We get a lot of compliments on our new center, and Nu-Look Collision Centers has the up most respect for your professionalism and fine quality craftsmanship.

Thanks again to Chrisantha Construction for an outstanding final result!

Sincerely,

Jeff DiFulvio
