Attn: Kevin Bragg
PO Box 165
Gorham, NY 14461

Dear Kevin:

I rarely take the time to write letters like this, but given the circumstances, it is a must

I have been involved in a number of projects, small and multi-million dollar projects. I have acted as an Owner, as a General Manager and as a Project Manager. The BonaDent Dental Laboratories building, to me and the powers that be, was a tremendous success, not just esthetically, but structurally and, most importantly, financially. The lack of surprises, arguments and confrontations will make Chrisanntha Construction my first stop for our next project.

I want to thank you and your staff for all of your attention to detail and your timeliness (not often do builders meet deadlines). Please feel free to use me as a reference for any of your future projects.

Everyone at BonaDent feels that this was one of those *positive* experiences

Good luck in your future endeavors.

Warm regards,

Bruce H Bonafiglia, CDT
President
